E-COMMERCE

– tailored and straightforward consultant and recruitment solutions within IT

WE FIND SPECIALISTS WHO UNDERSTAND TECHNOLOGY AND E-COMMERCE

With expertise within development, systems, analysis, data, UX and business intelligence, we can strengthen your digital business. We offer effective competence solutions within IT, regardless of whether you want to recruit or hire an IT consultant.

Having the right competence in place when choosing a platform and working with platform development is essential. As well as when working with integrations, purchase flows, content, conversion optimisation, payment solutions, marketing and additional sales within e-commerce. Is your business driven partly or entirely by e-commerce, or perhaps you're ready to launch a fully digital sales arm? With the right IT competence in place, you can improve your company's chances of achieving your targets and reaching new digital heights.

CLOSE COLLABORATION WITH WISE GROUP'S OTHER SPECIALIST COMPANIES

Wise IT is part of Wise Group, a family of specialist companies within HR and recruitment. We work in close collaboration between our companies and can when needed put our heads together to build the best possible team for you. Whether it's a case of replacement recruitment or specialist expertise that combines marketing, sales and IT competence, we'll find the perfect solution for you.
