## FLEXIBLE COMPETENCE SOLUTIONS WITHIN INFRASTRUCTURE AND IT SUPPORT

Wise IT offers fast and simple consultant and recruitment solutions within IT support, operation and network. We strengthen your business by focusing not only on the technology, but also on the individual's social skills.

Are you looking for a partner who offers fast and flexible consultant and recruitment solutions? When working with Wise IT, you'll be working with a team that specialises in support and infrastructure and that connects you with the right person for your current needs – whether you're recruiting or looking for an IT consultant.

### HIRE FOR TALENT – TRAIN FOR SKILLS!

Just like many other IT roles - specialists within IT support and infrastructure is not an easy competence to find. But does it really need to be so hard to find serviceminded IT-technicians? Wise IT are focusing on helping individuals outside the IT industry to find jobs within the IT labour market. There are many individuals who have a high level of technical knowledge and extensive customer service experience, and who – given the right conditions and the right environment – can develop and create magic for you.
